

Compressor Re-Block

IS YOUR COMPRESSOR BLOCK WORN OUT?

Why spend money on a complete system, when all you need to do is replace the pump? We sell New & Used Bauer compressor bare blocks that will get you back up and running for less cost than a complete new unit. Bare blocks can be installed in Stationary or Mobile applications. We also have used equipment: compressors, fill stations and ASME & DOT cylinders call **800-424-8633** for more info.
