

# » CLICKMATE™ TW157

Just **CLICK** to connect to breathing air cylinders

CGA 346/347

## » CLICKMATE™ TW157 ...

...is the safe and easy solution for filling breathing air cylinders. It connects directly to the cylinder valve thread (CGA 346/347) in just seconds. **CLICKMATE™** is optionally available with operating lever or operating handle as well as with or without bleeding valve. For SCOTT Revolve Air charge stations it is also available with 90° media inlet.

» **CLICKMATE™ TW157**  
with operating lever, no bleeding valve (but optionally available).

» **CLICKMATE™ TW157**  
with operating handle, no bleeding valve (but optionally available).

» for **SCOTT SAFETY**  
RevolveAir charge stations

» **CLICKMATE™ TW157**  
with operating handle and 90° media inlet.
